TECHNICAL SKILLS

Java	Git	Node.js	HTML
Python	Github	C++	CSS
DSA	React.js	MongoDB	JavaScript
SQL	Express.js	Bootstrap	

CERTIFICATIONS & COURSES

NPTEL – Programming in Java	Link | 2026
Unstop – Certification of Excellence Logic League	Link | 2025
Coursera – HTML & CSS Crash Course	Link | 2025
IBM – Artificial Intelligence Fundamentals	Link | 2026
Coursera – Programming with C++	Link | 2025
Coursera – Gen AI – Prompt Engineering Basics	Link | 2025

COMPETITIVE PROGRAMMING

Leetcode : Max rating - **1450** | Solved problems: **700+** | Contest attended : 50+ | Badges: **6** | Highest Rank: **4281 .**

Codechef: Max rating - **1338** | Position: **1** Star | Solved Problems: **800+** | Contest attended : 60+ | Highest rank**: 5970.**

Codeforces : Max rating – **913** | Position: **newbie** | Solved Problems: **30+ |** Contest attended : 20+.

ACHIEVEMENTS

- Top 10 Finalist–Quasar 4.0 National Hackathon : Competed against participants across India and secured a position the top 10 based on innovation,technical execution and presentation.
- WorkShop on Mastering Competetive Programming conducted by Learn Logicify.
- Participated in 24 hours Hackathon conducted by KIT-Kalaignarkarunanidhi Institute of Technology.
- Participated in 36 hours Hackathon conducted by KIT-Kalaignarkarunanidhi Institute of Technology.
- Participated in Odoo X SNS Hackathon – 2026.
- Earned 20+ Badges across coding platforms.

VOLUNTEERING

- Secretary of Sports club,actively hosted various events.
- Taught programming fundamentals and about coding platforms to junior students, delivering hands-on exercises.
- Actively involved in event management like department function and cultural events.
- Coordinated various events conducted by my college and hosted various student engagement programs.
